DRAFT GOVERNMENT NOTIFICATION.

Under the provisions of the Excise Act XXII of 1881 as amended by Act VI of 1885 and extended to Mysore by Regulation III of 1885, the Government of His Highness the Maharaja hereby sanction the introduction of the following Rules in lieu of all existing Rules relating to the subjects herein dealt with:—

1. For the purposes of these Rules the Hemp plant shall be taken to be that generally known as the *Cannabis Sativa* of Linn, and what is termed in Hindustani *Ganja*, in Kanarese *Bhangi Soppu*, in Tamil *Ganja yale*, and in Telugu *Bhangi iku*. But as there are several varieties of the Indian Hemp, each and every such variety shall be taken to be included in, and as falling under, these Rules. (Appendix A contains a paper describing Ganja and its preparations as used in Southern India, its character, analysis, actions and uses; also the botany of the Hemp plant and the value of the fibre derived from it).

Definition of Ganja.

Under Sections 11, 12, 13 & 55 of the Excise Act the following rules are framed by Government of Mysore

2. ~~The following rules shall~~ regulate and restrict:—

(*a*) the cultivation of the Hemp plant;

(*b*) the export of Ganja

(*c*) the import of Ganja

(*d*) the preparation of intoxicating drugs from Ganja; and

(*e*) the realization of duty leviable in respect of these drugs.

(1) The cultivation of the Hemp plant (Ganja) in Mysore is forbidden, except under Pattas issued by the Deputy Commissioner under his seal and signature, or by the Amildar with the Deputy Commissioner's previous sanction, and subject to the restrictions and reservations imposed in the rules laid down in such Pattas, ~~and under such further rules~~ of practice as the Excise Commissioner may prescribe from time to time to meet the local wants of each place, or the particular circumstances of each case.

(*a*) Cultivation of Ganja Hemp plant restricted.

(2) The Government Ganja Contractor may, under similar Patta, cultivate Ganja required for consumption in Mysore or for export, and shall in that case abide by Rule 2 Clauses 1 to 10 in so far as they relate to his connection therewith.

When such cultivation is discovered, the Officer of Government investigating the case shall, in the presence of a Panchayet, uproot the plants, and hand over the same to the custody of the village Patel or nearest Police Station for safe keeping and production as evidence before a Magistrate, when required. It shall be the duty of the Taluk and village officials to give immediate information to the officers of the Excise Department of any attempt to evade these rules and the conditions prescribed in the Patta. Additional vigilance shall be exercised by Excise Officers and village officials at the time the crop is ready to be picked, to guard against its fraudulent disposal.

To

The Chief Secretary
to the Dewan of Mysore.

Sir,

In reply to your letter No. 175-84 (69) R.F. 176-92 dated 25 instant, I have the honor to state that the draft of the Ganja Notification in question, was printed last year at the Branch Govt Press at Mysore for publication with the approval of the Dewan. The terms mentioned in it, are consistent with those of the contract which preceded the current contract of Mr. C. Papanah. A copy (55a) of the agreement relating to the former was forwarded to you with this office No. 910/30 (55), dated 13 May 1890. A copy of such agreement is herewith sent for ready reference. The date before which each ganja instalment is payable, has been altered from 20th to 15th in the proposed

proposed Notification, to make it conformable to the dates fixed for the payment of arrack and Toddy Rents. The difference between the present contract of Ser 6. Pappamah and the one which preceded it, is only in the rates of duty or fee payable to Government. In the present contract, they are payable at such rates as may hereafter be fixed by Government, but in the previous one, the rates were fixed. The same rates are mentioned in the proposed Notification for the future Contract, as intending tenderers seem to be willing to take up the contract at such rates. The minimum guaranteed amount proposed for the future contract, is the same as at present, viz not less than Rupees 8000.

2. Ser. 6. Pappamah pleaded inability to hold the Ganja Contract independently of the arrack transporting contract. But as there are others who are prepared to work it independently, it is not necessary to place both in the hands of one and the same person. Provision has been made in condition XIII of the Contract in the proposed Notification, permitting the Contractor

to

Arack &c 10

to appoint Superintendents of Bonded Depôts and Farm Depôts as Wholesale Vendors, paying them such commission as may be fixed by the Excise Commissioner. Dist. C. Papannah has now made a similar arrangement in the Bangalore District in which there are Farm Depôts.

3. The old condition about excess sales was superseded by the revised terms of the last three years' contract, under which the Contractor was bound to pay the prescribed duty or fee on the total quantity of Ganja and Imported sold by him to retail Vendors, which duty or fee should not be less, but might be more, than the minimum guaranteed amount. The same terms are continued in the proposed Notification for the future Contract, the wording being slightly altered to make the condition clearer.

GANJA FARMERS' AGREEMENT.

This agreement is entered into the day of one thousand eight hundred and eighty-nine between Colonel John Alexander Campbell, Excise Commissioner in Mysore for the time being on behalf of the Government of Mysore on the one part, and Messrs. Nilgiri Chikka Papanna, Fergus Wolsely Smith and W. Vinicombe Davy on the other, for the exclusive privilege of the whole-sale vend of Ganja and its preparations, (except halva) in all the eight Districts of the Mysore Province, but exclusive of the Civil and Military Station of Bangalore.

2. We, the said Messrs. Nilgiri Chikka Papanna, Fergus Wolsely Smith and W. Vinicombe Davy, do hereby engage to pay to the said Mysore Government a minimum annual sum (including local cess) of Rs. 7,000, for the exclusive privilege of the whole-sale vend of Ganja and its preparations (except halva) as aforesaid, for three years from 1st April 1889 to 31st March 1892, both days inclusive ; and we do accordingly bind ourselves, our heirs, executors, assigns and representatives, to perform our engagements, to abide by the terms of this agreement with the Mysore Government, and to observe the restrictions and reservations embodied in the following conditions. And as security for the due performance thereof, we deposit in the Bangalore District Treasury the sum of Rs. 1,750 in cash or in Government securities, as particularized in the schedule hereto annexed, duly endorsed in favor of the Government of His Highness the Maharaja of Mysore, being one-fourth of the yearly amount guaranteed as aforesaid, to be held at the disposal of the said Mysore Government until the close of the contract, and for such further period thereafter as may be required, till all claims due by us to Government are fully satisfied :—

(*a*) The contract shall not be transferable, except with the approval of the Mysore Government.

(*b*) For the purposes of this contract, Government may decline to recognize any representative, agent or partner appointed or taken by the Contractors during the period of the contract, unless such representative, agent or partner shall have been first approved of by the Excise Commissioner in Mysore for the time being.

(*c*) The minimum amount guaranteed shall be payable to Government in twelve equal monthly instalments. The Contractors shall further pay into the Bangalore District Treasury, on or before the 20th of each month, the total amount of fees (including local cess) for the whole-sale vend of Ganja and its preparations, at the rates which have been fixed by Government.

Amount of fees and place and dates of payment thereof.

(*d*) If the fee payable on the whole-sale vend of Ganja and its preparations for any month, be not sufficient to make up the instalment due for that month, the Contractors shall pay such further sum as may be required to make up the deficiency. If the fees payable on the whole-sale vend of Ganja and its preparations for any month, be in excess of the instalment due for that month, such excess shall be available to make up any deficiency in any other month of the same official year ; and this deficiency shall be adjusted by short payment into the Treasury, when the khists for the month are tendered, to the extent of such *net* "Excess sales" as may be available when such khist fell due. If the sum thus available is, at any time, more than sufficient to make up the deficiency to which it has been applied, the surplus thus accruing shall be paid into the Bangalore District Treasury along with the instalment of the month in which the said surplus was realized.

Payment of fees on excess sales and adjustment of deficient sales.

(*e*) If payments, as above, are not made on or before the 20th of the month following that for which they are due, interest at the rate of 6 per cent per annum, will be charged from that date on all the arrears outstanding ; and should the default continue after the lapse of the month following that for which the payments are due, the arrears with interest shall be recovered by attachment and sale of the property of the Contractors, including cash realized thereafter at whole-sale depôts, in the manner provided by the rules for the time being in force for the recovery of arrears of Land Revenue. And it shall further be at the discretion of the Government of His

Interest at 6 per cent payable on all arrears.

Arrears how recoverable and penalty for default prescribed.

Highness the Maharaja of Mysore, upon the report of the Excise Commissioner, to declare the contract cancelled, to direct the forfeiture of the deposit made by the Contractors, and to cause the business to be carried on by Government officers, or otherwise, at the expense and risk of the Contractors, their heirs, executors and assigns, during the unexpired period of their contract.

(*f*) The accounts for each year shall be closed separately.

Yearly settlement of accounts.

(*g*) The fees (inclusive of local cess) on the whole-sale vend, and also the prices of retail and whole-sale of gañja and majum per seer of 24 tolas, for the whole Province, are fixed as specified below :—

(*h*) The Contractors shall conform to any rules which may be prescribed from time to time by the Government, to the Conditions contained in the whole-sale license, and to the Rules framed under Section 55 (*g*) of the Excise Act, a summary of which is given below :—

Any infringement, by the Contractors or their authorized agents, of the above conditions, or of the provisions of the Excise Act XXII of 1881, or of the Rules framed by Government thereunder, shall, in addition to the forfeiture of the contract, entail the enforcement of the penalties prescribed in the said Act. It shall also be within the discretion of the Excise Commissioner to summarily fine the offender, and further to require the Contractors to suspend or dismiss the offender from their service; and to direct in such cases, if deemed advisable, that the offender shall not be prosecuted before a Magistrate.

In witness whereof, I, Colonel John Alexander Campbell, Excise Commissioner in Mysore for the time being on behalf of the Government of Mysore, and we, the above said Messrs. Nilgiri Chikka Papanna, Fergus Wolsely Smith, and W. that it would be preferable to have for the future a system of classification of Ganja shops with reference to income and of the levy of a permanent license fee ~~according to a fixed sliding scale~~ for each place ~~indicated~~ according to a fixed sliding scale ~~it being distinctly understood that the shops at one place being of the same class~~ the shops at that place being of one class and not of different classes.

3. Ganja shops shall accordingly ~~therefore~~ be classified, as shown ~~in detail~~ in the accompanying statements A & B, the data ~~being taken~~ for which are taken from the Statistics of Sales for the year 1892-93, as summarized below:—

1st Class with an income of Rs 29/- & more per mensem

2nd Class with an income

of Rs 20/- & more per mensem
3rd class with an income
of Rs 10/- & more per mensem
4th class with an income
of less than Rs 10/-

4. — The fee ~~prescribed~~ for
licenses of each class shall
be as follows: —
Rs 10/- per mensem for 1st class
Rs 5/- per mensem for 2nd class
Rs 2/- per mensem for 3rd class
These ~~fees~~ fees as above
shall always be payable
quarterly in advance
Commencing from 1st Oct/94
~~No~~ No fee shall be levied
for a license falling under
the 4th class. A notification
to this effect ~~shall~~ shall also be published in
the Gazette.

5. The Excise Comr will
after one years experience
of the system now ordered,
report as to any modifica-
tion that may appear to

be necessary.

6. It is observed that at present ~~some of the Taluk Kachas And 1/2 grs of Sub-Taluks~~ there are no drug shops (at the Head Quarters of some Taluks & Sub Taluks) ~~Before opening new shops,~~ The Dy Comrs should make a careful ~~& searching~~ enquiry as to how the public demand is now met and whether if any at these places there is reason to suspect clandestine cultivation or illicit import & sale. Where such exist ~~& Opium~~ ~~In that case~~ it would obviously be desirable to license a Vendor and open a shop. ~~at~~ The places are named in the accompanying Statement C.

7. The 12 superfluous shops named below should be closed after giving reasonable notice ~~has been given~~ to the present license holders: —

8 There is reason to believe that in some of such as those named in the margin places the existing opium shops have not also been given Ganja Licenses as prescribed in the Rules, but separate shops have been opened for the vend of opium & Ganja in the same town. This appears neither desirable nor necessary. They opium shops indicated in Statement B and others if similarly affected else-all where should therefore be given Ganja licenses,

9. Several Ganja shops which under the Rules should also be given Opium licences have not been given them, ~~this same time~~ with the result that sometimes there is occassion for clandestine sale of opium. The Excise Comr is therefore requested to cause the 57 Ganja shops of this kind named in Statement A & B to be also given Opium Licences.

10 The number of shops now ~~Saturated~~ fixed will thus be 108 as shewn below:—

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 9th September 1894.

No. 4489-98—R. F. 176-92, DATED, BANGALORE, 9TH SEPTEMBER 1894.

ORDER.—In para 6 of Government Notification No. 229, dated 27th February 1885, fees of Rs. 3 and Re. 1 per mensem were ordered to be levied on licenses for the retail vend of Ganja and its preparations in the towns of Bangalore and Mysore respectively. By Government Notification No. 18605—R. F. 176-92, dated 10th May 1893, the rate for Mysore was raised to Rs. 3 per mensem, so that this is the present rate for both the towns of Bangalore and Mysore. Shops at other places pay no license fee.

2. Government are of opinion that it would be preferable to have for the future a system of classification of Ganja shops with reference to income and of the levy of a permanent license fee for each place according to a fixed sliding scale, the shops at that place being of one class and not of different classes.

3. Ganja shops shall accordingly be classified as shown in the accompanying Statements A and B, the data for which are taken from the statistics of sales for the year 1892-93, as summarized below:—

First class with an income of Rs. 29 and more per mensem.
Second class with an income of Rs. 20 and more per mensem.
Third class with an income of Rs. 10 and more per mensem.
Fourth class with an income of less than Rs. 10.

4. The fee for licenses of each class shall be as follows:—

Rupees 10 per mensem for first class.
Rupees 5 per mensem for second class.
Rupees 2 per mensem for third class.

These fees shall always be payable quarterly in advance commencing from 1st January 1895. No fee shall be levied for a license falling under the fourth class. A notification to this effect shall also be published in the Gazette.

5. The Excise Commissioner will, after one year's experience of the system now ordered, report as to any modification that may appear to be necessary.

6. It is observed that at present there are no drug shops at the Head-quarters of some Taluks and Sub-Taluks. The Deputy Commissioners should make a careful enquiry as to how the public demand, if any, at these places is now met, and whether there is reason to suspect clandestine cultivation or illicit import and sale. Where such exist, it would obviously be desirable to license a vendor and open a shop. The places are named in the accompanying statement C.

7. The twelve superfluous shops named below should be closed after giving reasonable notice to the present license holders:—

	Number to be closed.

8. There is reason to believe that in some places such as those named in the margin, the existing Opium shops have not also been given Ganja licenses as prescribed in the Rules, but separate shops have been opened for the vend of Opium and Ganja in the same town. This appears neither desirable nor necessary. They should all be given Ganja licenses, unless the Excise Commissioner has reasons to the contrary, in which case the same should be reported for further instructions.

9. Several Ganja shops, which under the rules should also be given Opium licenses, have not been given them, with the result that sometimes there is occasion for clandestine sale of Opium. The Excise Commissioner is therefore requested to cause the fifty-seven Ganja shops of this kind named in Statements **A** and **B** to be also given Opium licenses.
